Grandmaster Sin Thé has decided to teach the Pa Kua Tao form at his fall seminar. Developed by Tung Hai Chuan, Pa Kua Tao consists of four circles totaling eighty postures! And by the way... this isn't your average broadsword! It is a larger, two-handed sword with an overall length of about four feet! The blade should be approximately forty inches long and the handle should be about eight inches.

Be sure to preregister, especially if you want a video and/or a sword. Because we have to order the videos and swords prior to the seminar, there will not be any extras available at the door. In order to receive your video, you must attend the seminar! Please note that there will be a lunch break from about 12:00 noon until 1:00 PM.

Please fill out the registration form below and mail it to:
