

Competition Rules

Empty Hand and Weapon Forms (Kata) Competition Rules:

1. Forms will be scored on a scale of 1 to 10 by a panel of five Black Belt judges.
2. Forms will be judged on power, snap, rhythm, focus, spirit, and stance.
3. Any restart or major error will result in a one point deduction.

Point Sparring Competition Rules:

1. Matches will be judged by five Black Belts consisting of four corner judges and one center referee.
2. Each match will be 90 seconds in length. For the first 60 seconds, the clock will not stop. For the last 30 seconds, the clock will stop when competitors leave the ring or at the command of the center referee to determine and award points.
3. In each ring, two competitors will be drawn at random and spar. The first person to gain five or more points or whomever has more points at the end of the time limit is the winner. In the event of a tie, the next point scored wins. Then the next two competitors will be drawn at random and they will spar. Once all competitors have sparred, the names will be reshuffled and the process begins again. This will assure that everyone gets to spar at least two times!
4. After the second rotation, the competitors with the most wins (not the most points) will advance to the finals. There they will fight a single-elimination format to determine 1st, 2nd, and 3rd places!
5. Light contact is allowed to the body but **NO HEAD CONTACT IS ALLOWED**. Excessive contact will result in a warning, point deduction, or disqualification.
6. Points cannot be scored from outside the ring. If a participant leaves the ring, the match will be stopped. Leaving the ring to avoid contact will first result in a warning, the second time a point deduction, and the third time in disqualification.
7. The center referee will call **START** to begin sparring and **STOP** to stop sparring. The center referee will stop the sparring after each point is scored.
8. Hand attacks are worth 1 point, kicks are 2 points, and sweeps/takedowns followed with a hand attack are 3 points.
9. The target areas are: The face and head, the entire chest and stomach, the groin, the lower back, and the center of the upper back. **ILLEGAL ATTACKS** and **AREAS** are: joint attacks (especially knee traps), eyes, and throat.
10. **ANY DISPLAY OF POOR SPORTSMANSHIP, INCLUDING ARGUING WITH A JUDGE, WILL RESULT IN IMMEDIATE DISQUALIFICATION. A PARTICIPANT WILL ALSO BE DISQUALIFIED FOR ANY INTERFERENCE FROM A PARENT OR INSTRUCTOR.**
11. Mandatory sparring equipment is a mouthpiece, gloves, shin and foot pads, and a groin cup for men.
